

PHARMACY BOARD[657]

Adopted and Filed

Pursuant to the authority of Iowa Code section 124.2, the Board of Pharmacy hereby amends Chapter 10, “Controlled Substances,” Iowa Administrative Code.

The amendment rescinds rule 657—10.41(124A) in which certain substances are identified and classified as imitation controlled substances. Those substances have been identified and classified by legislative action as controlled substances subject to Iowa Code chapter 124. Rescinding the designation of those substances as imitation controlled substances eliminates the confusion created by their dual classification as imitation controlled substances, subject to the penalties for unlawful possession of imitation controlled substances, and their classification as controlled substances, subject to different penalties for unlawful possession of controlled substances.

Requests for waiver or variance are not addressed because there are no provisions from which to request a waiver or variance.

Notice of Intended Action was published in the July 22, 2015, Iowa Administrative Bulletin as **ARC 2064C**. The Board received no written comments regarding the proposed amendment. The adopted amendment is identical to that published under Notice.

The amendment was approved during the August 31, 2015, meeting of the Board of Pharmacy.

After analysis and review of this rule making, no impact on jobs has been found.

This amendment is intended to implement Iowa Code section 124A.2.

This amendment will become effective on November 18, 2015.

The following amendment is adopted.

Rescind and reserve rule **657—10.41(124A)**.
